

## FINAL TERMS

**MiFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET** – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

**PROHIBITION OF SALES TO EEA AND UK RETAIL INVESTORS** – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**") or in the United Kingdom (the "**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive 2016/97/EU (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the "**Prospectus Regulation**"). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or in the UK may be unlawful under the PRIIPs Regulation.

- (ii) Estimate of total expenses related to admission to trading: EUR 8,825

### 2 RATINGS

- Ratings: The Notes to be issued are rated:  
Moody's: A3  
Moody's is established in the European Union and registered under Regulation (EC) No 1060/2009.

### 3 INTERESTS OF NATURAL AND LEGAL PERSONS INVOLVED IN THE ISSUE

Save for any fees payable to the Managers, so far as the Issuer is aware, no person involved in the offer of the Notes has an interest material to the offer. The Managers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform other services for, the Issuer and its affiliates in the ordinary course of business.

### 4 USE OF PROCEEDS, REASONS FOR THE OFFER AND ESTIMATED NET PROCEEDS

- (i) Use of proceeds, reasons for the offer:

Net proceeds from the Issue of the Notes will be allocated to a sub portfolio (the "**Green Project Portfolio**") with the special purpose to finance, refinance and/or invest in Eligible Green Projects (as defined below) meeting the Eligibility Criteria (as defined below).

"**Eligible Green Projects**" means projects relating to the transmission of renewable electricity from offshore wind power plants into the onshore electricity grid using direct current technology or alternating current technology and/or the development, construction and reconstruction of the onshore electricity grid to enhance the transmission capacity for renewable energy.

"**Eligibility Criteria**" means the criteria prepared by the Issuer, as set out in its Green Financing Framework, which is available at <https://www.tennet.eu/company/investor-relations/green-financing/>.

ISS ESG has reviewed the selected Eligible Green Projects that form part of the portfolio of Eligible Green Projects at the Issue Date of the Notes (DolWin1, DolWin2, DolWin3, DolWin6,

BorWin1, BorWin2, BorWin3, HelWin1, HelWin2, SylWin1, Borssele alpha, Borssele beta, Hollandse Kust Zuid alpha, Hollandse Kust Zuid beta, Alfa Ventus, Hollandse Kust Noord, Nordergrunde, Dörpen West – Niederrhein and Westkustenleitung) and has issued a positive second party opinion based on the Eligibility Criteria.

Should the Issuer want to add Eligible Green Projects to the portfolio of Eligible Green Projects after the Issue Date of the Notes, a second-party consultant (e.g. ISS ESG) will also review and issue a second-party opinion on those Eligible Green Projects for which, after such second-party opinion has been obtained, the net proceeds from the issue of the Notes may then also be used. ISS ESG's second party-opinion is available and future second-party opinions will be made available on the Issuer's website ([www.tennet.eu](http://www.tennet.eu)).

The Issuer intends to allocate the proceeds from the Green Financing Instruments to the Green Project Portfolio, selected in accordance with the use of proceeds criteria and evaluation and selection process. Tracking will be facilitated through the portfolio approach. The Issuer will strive to maintain a level of allocation for the Green Project Portfolio which, after adjustments for intervening circumstances including, but not limited to, sales and repayments, matches or exceeds the balance of net proceeds from its outstanding green financing instruments. Additional Eligible Green Projects will be added to the Issuer's Green Project Portfolio to the extent required to ensure that the net proceeds from the outstanding green financing instruments will be allocated to Eligible Green Projects. Whilst any green financing instrument net proceeds remain unallocated, the Issuer will hold and/or invest, at its own discretion, in its treasury liquidity portfolio, in cash or other short term and liquid instruments, the balance of net proceeds not yet allocated to the Green Project Portfolio.

The Issuer is expected to issue a report on (i) the impact of the Eligible Green Projects on the environment, as well as (ii) whether the net proceeds issued under the green bonds are used to finance Eligible Green Projects. This report will be issued once a year until all Notes which were issued for the purpose of financing, refinancing and or/investing in Eligible Green Projects are repaid in full or until the maturity date of these Notes. The report will be reviewed by a second party consultant or with limited assurance by an independent auditor. In addition, the Issuer is expected to provide regular information through its website ([www.tennet.eu](http://www.tennet.eu)) and/or newsletters to investors on the environmental outcomes of the Eligible Green Projects.

(ii) Estimated net proceeds
