16.45-17.00	Closure	
[N]	Notification session	
[D]	Discussion session	
[I]	Information session	

TenneT is Europe's first cross-border grid operator for electricity. With about 21,000 kilometres of (extra-) high voltage lines and 41 million end-users in the Netherlands and Germany, TenneT ranks among Europe's top 5 grid operators in Europe. TenneT's focus is to develop a North-west European energy market and to integrate renewable energy.
 Taking power further.
